

# A GOLDEN SUNRISE

HIP # 251

**BREED: QH      GENDER: GELDING      COLOUR: BUCKSKIN      YEAR: 2022      HEIGHT: 15'**

CISCO

GREAT START TO HIM, REALLY KIND SWEET IN YOUR POCKET TYPE OF HORSE. SMALLER LEGS SO HE HAS A SPEEDY SMOOTH TROT AND A VERY SMOOTH LOPE. HE IS A BIT QUIRKY AT TIMES AND WILL SHAKE HIS HEAD IF HE'S NOT LIKING SOMETHING. NO BUCK NO BOLT AND HAS THE POTENTIAL TO BE AN AMAZING RANCH HORSE. HE IS INTRODUCED TO THE ROPE AND MOVES GOOD OFF LEGS. BEST SUITED FOR AN EXPERIENCED RIDER HOWEVER HE HAS A TON OF POTENTIAL TO BE A MOUNT ANYONE CAN EVENTUALLY RIDE. I HAVE HAD TEENAGERS RIDE HIM BUT HE IS STILL IMMATURE. HE LOADS AND TRAILERS AND IS FAIRLY DECENT WITH HIS FEET. HAS A GOOD STOP AND NECK REINS OK. REALLY NICE SPEED TRANSITIONS AND HAS A TON OF PERSONALITY. I HAVE RIDDEN HIM OUT ALONE ON TRAILS AND HE WOULD ALSO EXCEL AS A SOLID TRAIL MOUNT. HE WILL PICK YOU UP FROM THE MOUNTING BLOCK OR STUMPS AND DROP YOU OFF.
