WICKED HOTT CAT 2024

Sired by: Red Hott Cat AQHA Dam: Gayla Soc O Nita AQHA This little man has been the ranch fav since the day he was born! He goes by the name Ricky Bobbie at home. Rickie has been very well exposed to life and is ready for his next steps. This little gentlemen is very easy to catch, he's completely halter broke, will tie, stand for his feet, loads on and off the horse trailers, he has been bathed, stalled, the entire bit. He's a rock solid prospect.

This is one of the yearling stud colts we were able to showcase at the 2025 Horse Expo Breeders Ally. This champ was hauled all the way down to Red Deer for 5 days of being touched, moved around and loved on by thousands of people and children each day. He's a very level minded rockstar!
