# FLYNN RYDER HIP # 26

**BREED: AQHA GENDER: GELDING COLOUR: SORREL YEAR: 2014 HEIGHT: 15'1**  
 Sired by Pepto Power Boon, Wally is a 2014 registered AQHA gelding that brings together ability, heart, and eye appeal in one solid package. Standing 15.1 HH and built stout like a brick house, Wally has the kind of structure that lasts. With plenty of chrome and a striking blue eye, he's the kind of horse people notice right away, but he's far more than just good looks. Wally is broke, athletic, and versatile. He's been started across breakaway, barrels, poles, and cutting, and has proven himself outside the arena ridden in the mountains, used at brandings, and ranched off. Started as a cutter, he's naturally cowy, quick-footed, and thrives when he has a job to do. What really sets him apart is his try. He's kind, willing, and wants to please-the type that meets you at the gate and is ready to go to work. He's currently legged up and ready for his next chapter. Whether you're looking for a family ranch horse, team penning partner, or cowboy challenge prospect, Wally has the foundation and ability to go in that direction. Wally is best suited for an experienced rider as he's very athletic and has a lot of buttons. He has never offered to buck or be dirty, but he can be a bit watchy on the ground at times. Under saddle, he stays honest and focused. At the end of the day, Wally is the kind of horse that wants to make you proud. Give him a job, a purpose, and a rider to connect with and he'll meet you at the gate every time.
